## IGREJA PROJETO VIDA NOVA - PROJECT NEW LIFE CHURCH

We believe:

- In **God the Father**, the Almighty, Eternal, Creator of all things, Lord of the Universe.
- In Jesus Christ, **God the Son**, by whom and for whom everything and all things exist, the one and only Savior, who gave himself for all sacrificially on the cross of Calvary, who rose from the dead on the third day, he was enthroned at the right hand of God and will return soon to search for His own and judge the wicked.
- **The Holy Spirit, God the Comforter**, which is in their children to sanctify them and mold them according to the character of Christ, who guides the Church into all truth and leads to fulfill her role as adoring.
- In the Bible as the inerrant Word of God.
- In the eternal salvation of all who believe in Jesus Christ and condemn those who reject Him.
- In the New Birth as a transformative experience of the sinful nature of man, created supernaturally by the Holy Spirit through faith in Jesus Christ and proven change in attitudes, thoughts and conduct.
- The institution of divine authority over the church and society and, therefore, must be respected and for the honor of all who occupy such positions, or spiritual, or government.
- In the priestly-prophetic role of the Church which was established by God in this world is not part of the system that governs, having received the commission of the Lord Jesus to preach the Gospel to everyone everywhere, and that for this, should seek strategic revelation of God to achieve his time and place.
- Near the Coming of the Lord Jesus to rapture the Church in the twinkling of an eye, to the resurrection of the dead in Christ and the glorification of the bodies of the living.
- The supernatural power of prayer to the Father in the Name of Jesus by the Holy Ghost.
- In one holy Church, committed to God and His Word, which reflects the image of Christ, The Lion of Judah, so this church has the face like the face of the Lion of Judah.
- We believe in a church that looks like a Lion
